CHOOSE ONE SPECIAL INTEREST WORKSHOP - Write in the workshop letter for your choice selection on the space provided.

Special Interest Workshop Selection: _____

SPECIAL INTEREST WORKSHOPS (Choose One):

A. Standing on the Promises... *Prayer That Breaks Yokes* - Prayer is the weapon that tears down strongholds, overcomes principalities, and changes lives. In this session, women will discover the key elements of yoke-breaking prayers.

B. Step in the Name of Love... *The Love Dare* - This session will provide candid conversations and straight talk on what women really think about love, intimacy, commitment, and the value of healthy, loving, and authentic relationships with self and with others.

C. Order My Steps, Lord... *Running Nowhere in Every Direction* - Do you ever feel like life is moving at the speed of light? Are you constantly trying to keep up with all of your responsibilities? In this day, when technology causes our lives to move faster than ever, many struggle to strike a balance between the various segments of their lives - family, friends, career, social obligations, and self. No matter what responsibilities you carry, you can learn to reduce stress, find peace, and enjoyment for becoming a well balanced woman.

D. Wealth Walk... *Maximizing Your Credit Potential* - Your credit score affects every aspect of your financial life. If you're like the average American, having improved credit will save you thousands of dollars on your loans and credit cards. In this session, you will learn how to repair and capitalize on credit, while also discovering how to calculate your overall cost versus what you think you spend.

GENERAL SESSIONS (All adults will attend both sessions):

I. Spirit Led Woman... *From Nowhere to Now Here* - You're a Christian, yet you feel like your faith journey is going nowhere. Take heart, faith *does* have a destination! Faith is the compass of our souls. Get ready to receive insight and guidance for journeying through the difficult days, wilderness experiences, past hurts and hindrances to the promising future God has in store for you. You may feel like you have been led to the desert, but you are not deserted.

II. Walking Your Way Up... *Play Like a Woman, Win Like a Man* - You are not imagining it. Women face unique challenges in the workplace. The playing field is not always even, the rules are often unspoken, and the path is rarely well marked. Take charge of your future, work your way up that career ladder, and achieve the success and satisfaction you deserve. Learn how to get ahead in today's workplace and make a difference to the organizations you serve and the lives you touch - without changing who you are.

GENERAL SESSIONS (Youth will attend both sessions):

III. Walk It Out... *Keeping the Faith in a Facebook World (Youth)* - Young women after God's own heart focus on peer POWER not peer pressure. This straight talk for young women is on dating, relating, achieving, succeeding, and keeping the faith in the midst of an online world.

IV. God's Top Model... *Stepping out of the Darkness into the Light (Youth)* - Young women are not created to walk in the shadows, but to live in the light. This is a session for young women on gaining positive self image, self awareness, and self esteem as daughters of the most High King.
