A Welcome From Our Pastor

Dear Ray of Hope Family and Friends,

I am excited to invite you on a 52-week journey through 2026 as we explore and experience the Names of God together. Using Ann Spangler's *Praying the Names of God* as our guide, we will discover fresh truths each week about God's character, power, protection, wisdom, compassion and more. I encourage you to purchase a copy and join us.

To support our growth, we've created this Names of God Guide—a simple tool to help make this journey exciting, trackable, and spiritually meaningful. Each week, through worship, prayer, and Bible study, we will encounter something unique about God's heart and desire for a relationship with us.

This guide will help you track your progress, and we'll celebrate milestones along the way. Those who complete all 52 weeks will receive a special Certificate of Faithfulness.

How to Record Your Participation:

Once you receive your guide, participate weekly through worship, prayer, and Bible study.

- After Sunday worship, scan the QR code in the lobby to receive a digital sticker.
- Save the sticker to your device and check the corresponding box in your guide.
- Online participants can scan the QR code at the end of the Sunday worship service or online each week.
- Please provide your full name and email for the first scan so we can record your participation throughout the year.

Note: Digital stickers are simply tools to help us stay engaged. What matters most is your presence, participation, and spiritual growth.

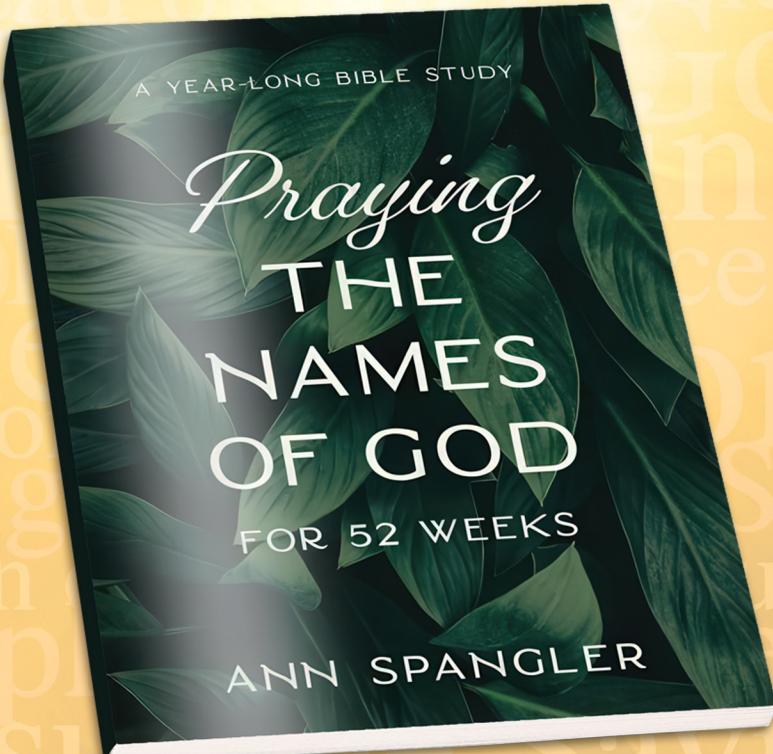

As you track your journey each week, I encourage you to reflect prayerfully. Ann Spangler's text offers thoughtful reflections and questions, and you'll find additional prompts in this guide. These moments help turn information into transformation, anchoring our faith in the God who reveals Himself to us by name.

*With Love and Expectation,
Pastor*
